11	v.	)	
12	MICHELLE LAVAL ST. ONGE,	)	SUMMARY REPORT OF U.S.
13	Defendant.	)	MAGISTRATE JUDGE AS TO
		)	ALLEGED VIOLATIONS
		)	OF SUPERVISED RELEASE

An initial hearing on a petition for violation of supervised release was held before the undersigned Magistrate Judge on November 9, 2006. The United States was represented by Assistant United States Attorney Kathryn Frierson, and the defendant by Ms. Paula Deutsch. The proceedings were recorded on cassette tape.

The defendant had been charged and convicted of Conspiracy to Possess Stolen Mail and Producing False Identification Documents Without Lawful Authority. On July 18, 2003, defendant was sentenced by the Honorable Marsha J. Pechman to thirteen (13) days in prison, to be followed by three (3) years of supervised release. After defendant's release from custody, on three separate occasions the U.S. Probation Office has intervened because of alleged infractions of the terms of her supervised release, specifically, repeated use of amphetamine and methamphetamine. One infraction resulted in revocation of defendant's initial supervised release. She then was sentenced to fourteen (14) days in custody, also to be

01 followed by supervised release. At present, Ms. St. Onge's supervised release is scheduled to  
02 be completed on June 18, 2007.

03 The conditions of supervised release included the requirements that the defendant  
04 comply with all local, state, and federal laws, and with the standard conditions. Special  
05 conditions imposed included, but were not limited to, substance-abuse and mental-health  
06 program participation, financial disclosure, mandatory drug testing, no firearms or  
07 destructive devices possession, abstinence from alcohol, consent to search and seizure, 180-  
08 day service in a community correctional center , computer inspection, disclosure of all  
09 computer software owned, operated, and/or acquired on supervision, no new credit to be  
10 obtained, and prohibition from possessing identification documents in no other name than her  
11 own.

12 In a Petition for Warrant or Summons dated October 18, 2006, U.S. Probation Officer  
13 Stephen M. McNickle asserted the following violations  
14 by defendant of the conditions of her supervised release:

15 (1) Using amphetamine on or before September 21, 2006, in violation of standard  
16 condition number 7.

17 (2) Using methamphetamine on or before September 21, 2006, in violation of  
18 standard condition number 7.

19 The defendant was advised of the allegations and advised of her rights. Defendant  
20 admitted to the violations, and waived any rights to an evidentiary hearing as to whether they  
21 occurred.

22 I therefore recommend that the Court find the defendant to have violated the terms  
23 and conditions of her supervised release as to violations 1 and 2, and that the Court conduct a  
24 hearing limited to disposition. A disposition hearing has been set before the Honorable  
25 Marsha J. Pechman for Friday, January 5, at 11:15 a.m.

26 Pending a final determination by the Court, the defendant has been released on bond,

01 subject to continued supervision.

02 DATED this 13th day of November, 2006.
